## **Reposted: Student Code of Conduct**

This week CCSD and Canarelli Middle School have taken steps to inform our school and community regarding the CCSD Student Code of Conduct. We encourage parents and students to review the [Student Code of Conduct](#) and discuss consequences for violating it. The consequences of violating the Code of Conduct will have their most significant impact on students, and parents will be involved if their child violates these conduct expectations. Please take the time to talk to your children and remind them that violence will not be tolerated on our campuses. Students participated in a Student Code of Conduct assembly on Thursday, April 22 that included examples from the Code of Conduct and their consequences at the school level and within the Clark County School District Police Department.

## **Reposted: Online Registration Process (Opening April 25, 2022)**

The annual Online Registration (OLR) process will open April 25, 2022, for the 2022-2023 school year. The link will be in the Infinite Campus Parent Portal. Parents/Guardians without a Campus Portal Account should contact Debbie Hancock, Registrar, by telephone (702-799-1340 ext. 4065) or email ([hancodj@nv.ccsd.net](mailto:hancodj@nv.ccsd.net)) so she can create an account before registration begins.

## **Safe Routes to School Reminders**

# CANARELLI MIDDLE SCHOOL

As we move forward with the last few weeks of school, we ask for your cooperation in complying with school zone traffic laws, particularly during arrival and dismissal. We have posted several reminders for our families on a special web page: [Canarelli Safe Routes To School Reminders](#)

## Health & Safety Announcement & Reminders

As of February 10, 2022, masks are no longer required on CCSD campuses, schools, or facilities but remain required on school buses. Because COVID-19 continues, students and employees of CCSD can make the individual choice to continue masking. *Canarelli MS is not required to supply masks to students.*

At this time, all other COVID-19 mitigation measures remain in effect.

As we continue to navigate the Covid-19 pandemic, keeping our students and employees safe is our number one priority, and we will be continuing to follow all applicable CCSD health and safety requirements in alignment with the recommendations from the Centers for Disease Control and Prevention, the Southern Nevada Health District, and the American Academy of Pediatrics.

Here are a few important health and safety reminders:

- We kindly ask that parents check their students each morning before they leave home for school. Please take a moment to review the Parent Checklist document containing these guidelines: [Parent & Guardian Checklist](#)
- Parents/Guardians, if a student is not feeling well, has any symptoms of COVID-19, has been exposed to someone with COVID-19, or tested positive with COVID-19, they must stay home from school until cleared to return.
- The CCSD COVID-19 Parent/Guardian Hotline is available Monday through Friday from 8:00 a.m. to 4:00 p.m. and can be reached by calling 702-799-4322.
- Parents/Guardians are asked to call the hotline to report their student's positive COVID-19 test result, recent exposure to a COVID-19 positive individual, or possible COVID-19 symptoms. The call center has English and Spanish-speaking staff available.

CCSD has placed additional detailed information, including Covid-19 mitigation measures, on our district website: <http://newsroom.ccsd.net/back-to-school-implementation-guide/>.
